1. CoA

At the IDAC event in Mumbai, ISOLA members met the new CoA President, Habib Khan who showed interest in signing the pending MoU. Sujata Kohli had also spoken to him. There are a few issues to clarify before we pursue the MoU – colleges having M.Arch (Landscape) degrees instead of M.L.A. degrees, and any updates we would like to make. Since all PG courses fall under CoA Asok Kumar mentioned that a notification had been sent to colleges to that effect. He will share it on email.

2. WEBSITE & SOCIAL MEDIA

Missing information, calendar and conference related communication is missing on the website. Neelima, Preetanshi and Vineetha to follow up and update.

3. CONFERENCE

Progress made to be shared by the conference team as soon as possible.

4. ISOLA AWARDS

Shilpa Chandawarkar summarized the awards process and jury. Awards document will be shared soon. The budget for award ceremony to be shared as well. Jury comment, which should be shared with colleges, was that there is a lot of stress on theory, not enough on design and/or policies. Of all the entries seen the content was mostly research, cultural issues based, with virtually no design. This feedback can be sent out through EB.
